

*Lot 3  
The Bordeaux*

The Bordeaux is a French country traditional style home - very symmetrical with batten shutters and French doors. The exterior is an authentic painted brick with all the warmth and feel of a home one would expect to find in the old villages in France.

This plan has the Inlaw Suite/Guest Room on the main level, a separate Living Room or study and an open Great Room, Kitchen area and Breakfast Room. There is a convenient drop zone with lockers at the garage entry. Master Bedroom and three additional bedrooms are on the second level, each with a full bath and large closet.

This home also offers a three car garage and a full basement.
