

*Lot 7
The Cornwall*

Stephen Fuller
DESIGN

The Cornwall focuses on an English Cotswold Normandy style and uses warm brick with stucco fields accented in rustic timbers.

This is a lovely floor plan with a beautiful well lit first floor. The Kitchen, Great Room and Sun Room open to each other so the family is never far away. There is a back entry hall with lockers, drop zone and a small home office adjoining.

The Master Suite is on the first floor and four bedrooms and baths are on the second floor. This plan has a three car garage.
